

COMMUNIQUE NO. 4

*SISTERS OF HOLY CROSS
25th GENERAL CHAPTER*

*"Together ...
on the pathways of resurrection
of the world"*

ADJOURNMENT

The adjournment of the first session of the Chapter was a celebration of thanksgiving for all that has been these past days, which was accompanied by a spirit of hope for the journey that lies ahead until the delegates reconvene in 2017.

A synthesis of the Chapter sessions was presented by Hermelinda Cacasaca, Maryse Brisson, and Raymonde Maisonneuve.

The Gospel according to Luke 24: 13-17 was then proclaimed by Sister Louise Auclair. Following the reading of the Gospel, the Capitulants, like the disciples of Emmaus, were asked: "What were you talking about...?" which led to the process of evaluation.

After the homily, capitulants proceeded to sign the Acts of the Chapter.

SYMBOLIC RITUAL

Today you are receiving a gem,
which represents each one of you open and ready
to discover newness, to find an "other" way.
To discover the fullness of its beauty, it needs a ray of light.

This light is the Spirit who transforms...
This light is the Spirit who challenges us...
It is the same Spirit who gives us the ability
to marvel at the variety and harmony of colors.

It is the Spirit who opens us to assuming our responsibility
in the realization of our human and communal experience of Holy Cross.

SPIRIT OF HOPE FOR THE JOURNEY!
