The year 2016 was a year of graces and blessings for the region of Haiti. Our religious family is constantly expanding. We had the joy of welcoming three postulants: Wide-Guerlande Jean, Josianne Jean, and Danise Jean. In all simplicity, each one presented herself and asked us to accompany her in our prayers. We welcome them and have a fruitful experience with us.

Our hearts are jubilant to see our sister, Walindie Georges, return. We sent a postulant and she returned to us as a professed sister. We congratulate her on her first profession in Holy Cross.

Walindie, may you renew your commitment to God, to your sisters, and to your brothers on a daily basis.

We wish you well and do count on our prayers.
